ADVANCED DATA ANALYTICS

To uncover the root causes of risk, Coverys Analytics conducts sophisticated and ongoing analysis of company-wide claims data. This data is used to develop actionable insights for targeted risk assessments and education programs.

COVERYS COMMUNITY HEALTHCARE FOUNDATION

Since its inception in 2013, the Coverys Community Healthcare Foundation, Inc. has provided charitable contributions and awarded grants totaling over \$15 million to organizations that improve patient care and safety, promote healthy lifestyles, and support individuals and organizations that provide healthcare services.
